Highlights of the NMMU US Study Center

- Opportunity to US Institutions to liaise directly with the NMMU to arrange for placement of students and course selection without any formal exchange agreements.
- NMMU is a comprehensive highly recognized university that provides opportunities to freshman, sophomores, juniors, seniors and Graduate Students. Due to a variety of courses available each semester students can earn and transfer 16 to 18 semester credits to their home institutions.
- Students may participate in teaching & internship experience to fulfill degree requirements at their home institutions.
- US-based representative with extensive experience of NMMU and South Africa is available for advice, assistance and university visits to Individual US Institutions and students. Pre-Departure Orientation by our representative can be scheduled based on each institutional need.
- A dedicated staff member will be available at NMMU to care for the US-Study Center students while at NMMU from airport pickup to the departure day.
- An opportunity to participate in Service learning and credit based community service projects with other US and European Students from our partner institutions.
- NMMU US Study Center is a one stop study center in South Africa open to select US institutions.
- NMMU Study Center will host yearly week long conferences for faculty and staff from US institutions to experience NMMU and Eastern Cape Culture.

The cost per student including Accommodation, Excursions and Academic Fees equates to US \$7900.00 which is approximately R59 250, depending on the exchange rate at the time. All other costs will be for the student's own cost. Meals and local transport costs equates to approximately R2500 per month.
