POSTGRAD
2022

QUICK GUIDE ON POSTGRADUATE STUDIES

PART 2

What you need to know about studying for your master's or doctoral degree

Ready to start the next chapter in your postgraduate story? Here's everything you need to know

1

WHAT CAN YOU STUDY?

Master's degree

Can be obtained by:

- Completion of a single advanced research project (production and acceptance of a dissertation)
- Successful completion of a coursework programme and a smaller applied research component

Admission requirements:

- A relevant honours degree
- Or an advanced, career-focused bachelor degree (E.g. BEng, BPharm, BCur, BPsych and BTech)

Duration of study:

- Coursework master's degree: 1 year (full-time)
- Research master's degree: 1 to 4 years

Doctoral degree

Research at the most advanced academic level (production of a thesis)

May include a coursework component as preparation for research

Can be obtained through pure discipline-based, multi-disciplinary or applied research

Duration of study: 2 to 6 years
